Packaging Contents

- 1 x Component to VGA video converter
- 1 x Power Adapter
- 1 x Instruction Manual

System Requirements

- YPbPr Component video source (i.e. DVR/PVR, DVD player, etc.)
- VGA display device (i.e. monitor, projector, HDTV, etc.)
- Available AC electrical outlet
- RCA Component Video cable
- VGA video cable
- **Optional:** RCA stereo audio cable
- **Optional:** 3.5mm Audio mini-jack cable

Installation

1. Make sure the video source and display device are powered off before making any connections.
2. Connect the video source to the Input side of the video converting using RCA component video cables (not included). If also using audio, connect RCA stereo audio cables (not included) from the source to the converter.
3. Connect the display device to the video converting using a VGA video cable (not included). If also using audio, connect a 3.5mm audio mini-jack cable (not included) from the speakers to the converter.
4. Connect the included power adapter from an electrical source to the video converter. The Power LED will light up solid.
5. Turn the display device on, followed by the video source.

Specifications

Video Signal Input	YPbPr component video
Video Signal Output	VGA (RGBHV)
Connectors	3 x RCA Component video female 2 x RCA Stereo audio female 1 x DE-15 VGA female 1 x 3.5mm Audio female 1 x DC Power
LEDs	N/A
Supported Video Resolutions	480i, 480p, 576i, 576p, 720p, 1080i, 1080p
Video Bandwidth	70MHz (-3dB)
Enclosure Material	Metal
Power Adapter	9V DC, 600mA, center positive
Dimensions	67.0mm x 57.5mm x 38.0mm
Weight	150g

FCC Compliance Statement

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

Use of Trademarks, Registered Trademarks, and other Protected Names and Symbols

This manual may make reference to trademarks, registered trademarks, and other protected names and/or symbols of third-party companies not related in any way to StarTech.com. Where they occur these references are for illustrative purposes only and do not represent an endorsement of a product or service by StarTech.com, or an endorsement of the product(s) to which this manual applies by the third-party company in question. Regardless of any direct acknowledgement elsewhere in the body of this document, StarTech.com hereby acknowledges that all trademarks, registered trademarks, service marks, and other protected names and/or symbols contained in this manual and related documents are the property of their respective holders.

Technical Support

StarTech.com's lifetime technical support is an integral part of our commitment to provide industry-leading solutions. If you ever need help with your product, visit www.startech.com/support and access our comprehensive selection of online tools, documentation, and downloads.

Warranty Information

This product is backed by a two year warranty.

In addition, StarTech.com warrants its products against defects in materials and workmanship for the periods noted, following the initial date of purchase. During this period, the products may be returned for repair, or replacement with equivalent products at our discretion. The warranty covers parts and labor costs only. StarTech.com does not warrant its products from defects or damages arising from misuse, abuse, alteration, or normal wear and tear.

Limitation of Liability

In no event shall the liability of StarTech.com Ltd. and StarTech.com USA LLP (or their officers, directors, employees or agents) for any damages (whether direct or indirect, special, punitive, incidental, consequential, or otherwise), loss of profits, loss of business, or any pecuniary loss, arising out of or related to the use of the product exceed the actual price paid for the product. Some states do not allow the exclusion or limitation of incidental or consequential damages. If such laws apply, the limitations or exclusions contained in this statement may not apply to you.
