

Thank you for purchasing a StarTech.com PCI Express x1 to x16 Slot Extension Card. Designed to provide enhanced compatibility between motherboards and a variety of PCI Express expansion cards, this is the perfect solution for converting an unused x1 PCI Express slot to accommodate x2, x4, x8, x12 or x16 PCI Express cards.

Installation

CAUTION: Computers contain sensitive electronic components that are easily damaged by static electricity and excessive shock. When handling the PCI Express Slot Extension Card, please ensure you are properly grounded using an anti-static mat or similar device. If anti-static equipment is not available, ground yourself by touching the exterior of the computer case or another large metal surface before handling any peripherals.

To install PEX1TO16 on a host computer:

1. Make sure that your system is unplugged and you are grounded.
2. Remove the cover of your system (see your computer's user manual for details, if necessary) and gently turn your computer onto its side, so that the PCI Express expansion slot openings on the motherboard are accessible.
3. Align the x1 PCI Express connector provided by PEX1TO16 with an available PCI Express slot.
4. Gently insert the card into the empty slot, making sure it is seated firmly.
5. Replace and secure the computer cover.

Technical Support

StarTech.com's lifetime technical support is an integral part of our commitment to provide industry-leading solutions. If you ever need help with your product, visit www.startech.com/support and access our comprehensive selection of online tools, documentation, and downloads.

Warranty Information

This product is backed by a lifetime warranty. In addition, StarTech.com warrants its products against defects in materials and workmanship for the periods noted, following the initial date of purchase. During this period, the products may be returned for repair, or replacement with equivalent products at our discretion. The warranty covers parts and labor costs only. StarTech.com does not warrant its products from defects or damages arising from misuse, abuse, alteration, or normal wear and tear.

Limitation of Liability

In no event shall the liability of StarTech.com Ltd. and StarTech.com USA LLP (or their officers, directors, employees or agents) for any damages (whether direct or indirect, special, punitive, incidental, consequential, or otherwise), loss of profits, loss of business, or any pecuniary loss, arising out of or related to the use of the product exceed the actual price paid for the product. Some states do not allow the exclusion or limitation of incidental or consequential damages. If such laws apply, the limitations or exclusions contained in this statement may not apply to you.
