Thank you for purchasing a StarTech.com ExpressCard to CardBus Adapter. This convenient device enables the use of USB-based ExpressCard devices, and supports data transfer rates of up to 480Mb/s. With the StarTech.com ExpressCard to CardBus adapter, you can easily use ExpressCard/34 devices on a notebook computer through the CardBus slot.

### Features
- Supports data transfer rate up to 480Mb/s
- Hot-plug support allows you to connect/remove this adapter without turning off your system
- Quickly and easily adapts ExpressCard/34 (USB-based) devices to work through your notebook's CardBus slot
- Works with USB-based ExpressCard devices including broadband wireless modems (such as CDMA, EV-DO, GPRS, etc.), flash memory, flash cards adapters, security legacy I/O (PS/2, serial, parallel), optical disk drives, GPS receivers, and more...
- Supports Windows 2000 SP4/XP SP1/Server 2003/Vista/7

### Hardware Installation
With the ExpressCard to CardBus Adapter, you can use an ExpressCard/34 device in a notebook with PC Card slot. No software/driver installation is required.

1. Insert the ExpressCard/34 device into the ExpressCard to CardBus adapter.
2. Insert the ExpressCard to CardBus Adapter into the PC Card slot. Your system should detect the ExpressCard/34 device and install the driver for the Express Card device if necessary

### Warranty Information
This product is backed by a two year warranty.

In addition, StarTech.com warrants its products against defects in materials and workmanship for the periods noted, following the initial date of purchase. During this period, the products may be returned for repair, or replacement with equivalent products at our discretion. The warranty covers parts and labor costs only. StarTech.com does not warrant its products from defects or damages arising from misuse, abuse, alteration, or normal wear and tear.

### Limitation of Liability
In no event shall the liability of StarTech.com Ltd. and StarTech.com USA LLP (or their officers, directors, employees or agents) for any damages (whether direct or indirect, special, punitive, incidental, consequential, or otherwise), loss of profits, loss of business, or any pecuniary loss, arising out of or related to the use of the product exceed the actual price paid for the product. Some states do not allow the exclusion or limitation of incidental or consequential damages. If such laws apply, the limitations or exclusions contained in this statement may not apply to you.
