Mini DisplayPort to DisplayPort, DVI or HDMI™ Multifunction Adapter

Product Diagram (MDP2DPDVHD)

![Diagram](Image)

### Installation
1. Connect the Mini DisplayPort Connector on the Video Adapter to the Mini DisplayPort port on the Host Computer. The Host Computer can be turned on or off (check documentation for the Host Computer for details).
3. Connect the Display Device (i.e. monitor) to the Video Adapter using the appropriate type of video cable (not included).

**NOTE:** Only one video output is supported on the video adapter at a time. If multiple connections are made, only one of the outputs will function in order of: DisplayPort then HDMI then DVI.

### Requirements

For the latest requirements, please visit [www.startech.com/MDP2DPDVHD](http://www.startech.com/MDP2DPDVHD).

- DisplayPort enabled computer system with available Mini DisplayPort connector
- DisplayPort, DVI or HDMI enabled display device (e.g. monitor) with appropriate cable

### Video Signal

- DisplayPort
- DVI-D (Digital)
- HDMI

### Connectors

- Mini DisplayPort male x 1
- DVI-D 25-pin female x 1
- HDMI x 1
- DisplayPort female x 1

### Maximum Video Resolution

- DisplayPort 2560x1600
- DVI/HDMI 1920x1200

### Enclosure Material

- Plastic

### Operating Temperature

- 0°C ~ 70°C (32°F ~ 158°F)

### Storage Temperature

- -10°C ~ 80°C (14°F ~ 176°F)

### Humidity

- 10% ~ 85% RH

### Integrated Cable Length

- 150mm / 0.5ft

### Dimensions (LxWxH)

- 79.0mm x 50.0mm x 16.0mm

### Weight

- 64g
FCC Compliance Statement
This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:
- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions:
(1) This device may not cause harmful interference, and (2) this device must accept any interference, including interference that may cause undesired operation. Changes or modifications not expressly approved by StarTech.com could void the user’s authority to operate the equipment.

Industry Canada Statement
This Class B digital apparatus complies with Canadian ICES-003.
Cet appareil numérique de la classe [B] est conforme à la norme NMB-003 du Canada.

This device complies with Industry Canada licence-exempt RSS standard(s). Operation is subject to the following two conditions:
(1) This device may not cause interference, and (2) This device must accept any interference, including interference that may cause undesired operation of the device.

Use of Trademarks, Registered Trademarks, and other Protected Names and Symbols
This manual may make reference to trademarks, registered trademarks, and other protected names and/or symbols of third-party companies not related in any way to StarTech.com. Where they occur these references are for illustrative purposes only and do not represent an endorsement of a product or service by StarTech.com, or an endorsement of the product(s) to which this manual applies by the third-party company in question. StarTech.com hereby acknowledges that all trademarks, registered trademarks, service marks, and other protected names and/or symbols contained in this manual and related documents are the property of their respective holders.

Warranty Information
This product is backed by a three-year warranty.
For further information on product warranty terms and conditions, please refer to www.startech.com/warranty.

Limitation of Liability
In no event shall the liability of StarTech.com Ltd. and StarTech.com USA LLP (or their officers, directors, employees or agents) for any damages (whether direct or indirect, special, punitive, incidental, consequential, or otherwise), loss of profits, loss of business, or any pecuniary loss, arising out of or related to the use of the product exceed the actual price paid for the product. Some states do not allow the exclusion or limitation of incidental or consequential damages. If such laws apply, the limitations or exclusions contained in this statement may not apply to you.

Safety Measures
- If the product has an exposed circuit board, do not touch the product under power.

Mesures de sécurité
- Si l’appareil comporte des circuits imprimés visibles, ne pas toucher l’appareil lorsqu’il est sous tension.

安全対策
- 製品に露出した状態の回路基板が含まれる場合、電源が入っている状態で製品に触らないでください。

Misure di sicurezza
- Se il prodotto ha un circuito stampato visibile, non toccare il prodotto quando è acceso.

Säkerhetsåtgärder
- Rör aldrig vid enheter med oskyddade kretsar när strömmen är påslagen.
