Manual Revision: 05/10/2021
FCC Compliance Statement

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

• Reorient or relocate the receiving antenna.
• Increase the separation between the equipment and receiver.
• Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
• Consult the dealer or an experienced radio/TV technician for help.

Use of Trademarks, Registered Trademarks, and other Protected Names and Symbols

This manual may make reference to trademarks, registered trademarks, and other protected names and/or symbols of third-party companies not related in any way to StarTech.com. Where they occur these references are for illustrative purposes only and do not represent an endorsement of a product or service by StarTech.com, or an endorsement of the product(s) to which this manual applies by the third-party company in question. Regardless of any direct acknowledgement elsewhere in the body of this document, StarTech.com hereby acknowledges that all trademarks, registered trademarks, service marks, and other protected names and/or symbols contained in this manual and related documents are the property of their respective holders.

Product Diagram

Front View

- HDMI audio/video input port
- DVI video input port
- Power LED
- A/V breakout cable input port (For Component, S-Video, and composite video input + RCA audio input)

Rear View

- USB 3.0 port
Introduction

Packaging Contents
• 1x USB 3.0 HD video capture device (USB3HDCAP)
• 1x A/V breakout cable
• 1x DVI to VGA video adapter
• 1x USB 3.0 cable
• 1x Instruction manual

System Requirements
Computer system with:
• Available USB 3.0 port
• CPU: i3 Dual Core 2.8GHz or higher
• RAM: 2GB or higher
• Microsoft® Windows® XP/Vista/7/8/8.1 (32/64-bit)
• HDMI/DVI/VGA/Component/S-Video/Composite audio/video source with cabling (DVD, DVR, VCR, Etc.)

Notes:
• The USB3HDCAP requires a USB 3.0-equipped computer. This product is not backwards compatible with USB 2.0/1.1.
• The USB3HDCAP product will not record digitally encrypted content (e.g. DVDs, Blu-rays, etc.).
• This product is not compatible with Etron USB controllers, or ASMedia 1042 / 1042A USB controllers. If your computer only has ASMedia or Etron USB controllers, you can add a USB 3.0 expansion card to your desktop or laptop to work around this issue.
• Intel, AMD, Renesas, and Via, are some of the USB controllers that are confirmed to work with the USB3HDCAP capture card. If your USB controller is Via it may be necessary to download the latest drivers from the Via’s website instead of using Windows native USB drivers.
Installation

Software Installation

Note: Please complete the Software Installation steps prior to Hardware Installation steps.

- Download the latest drivers from www.StarTech.com/USB3HDCAP

Hardware Installation

Note: Please ensure the Software Installation steps have been completed prior to beginning Hardware Installation steps.

1. Using the included USB 3.0 cable, connect the USB3HDCAP to an available USB 3.0 port on your computer system.

2. Using the required video source cabling (not included) connect your video source (DVD, DVR, VCR, Etc.) to the USB3HDCAP.

   a. If your video source is Component, S-Video, or Composite, use the included A/V breakout cable to connect your Audio/Video source cabling to the A/V breakout cable input port on the USB3HDCAP. Please see Product Diagram on Page 1 for reference.

   b. If your video source is HDMI or DVI, connect your audio/video source cabling directly to the HDMI audio/video input port or DVI video input port (respectively) on the USB3HDCAP.

   c. If your video source is VGA, use the included DVI to VGA video adapter to connect your VGA video source cabling to the DVI video input port on the USB3HDCAP.

   d. (Optional) If you would like to capture a 2-channel RCA audio source along with your video source, connect your RCA audio source cable to the A/V breakout cable input port on the USB3HDCAP along with your desired video source cabling.

Hardware installation is now complete.
Warranty Information

This product is backed by a two year warranty.

In addition, StarTech.com warrants its products against defects in materials and workmanship for the periods noted, following the initial date of purchase. During this period, the products may be returned for repair, or replacement with equivalent products at our discretion. The warranty covers parts and labor costs only. StarTech.com does not warrant its products from defects or damages arising from misuse, abuse, alteration, or normal wear and tear.

Limitation of Liability

In no event shall the liability of StarTech.com Ltd. and StarTech.com USA LLP (or their officers, directors, employees or agents) for any damages (whether direct or indirect, special, punitive, incidental, consequential, or otherwise), loss of profits, loss of business, or any pecuniary loss, arising out of or related to the use of the product exceed the actual price paid for the product. Some states do not allow the exclusion or limitation of incidental or consequential damages. If such laws apply, the limitations or exclusions contained in this statement may not apply to you.
Hard-to-find made easy. At StarTech.com, that isn’t a slogan. It’s a promise.

StarTech.com is your one-stop source for every connectivity part you need. From the latest technology to legacy products — and all the parts that bridge the old and new — we can help you find the parts that connect your solutions.

We make it easy to locate the parts, and we quickly deliver them wherever they need to go. Just talk to one of our tech advisors or visit our website. You’ll be connected to the products you need in no time.

Visit www.startech.com for complete information on all StarTech.com products and to access exclusive resources and time-saving tools.

StarTech.com is an ISO 9001 Registered manufacturer of connectivity and technology parts. StarTech.com was founded in 1985 and has operations in the United States, Canada, the United Kingdom and Taiwan servicing a worldwide market.
