# Introduction

Thank you for purchasing a StarTech.com 3 port PCI USB 2.0 card. This card allows you to add 3 external USB 2.0 ports, in order to maximize the number of peripherals that can be connected to your computer simultaneously using an available motherboard PCI slot.

## Packaging Contents

- 1x PCI USB 2.0 Card
- 1x Instruction Manual

## System Requirements

- Pentium class PC or higher with an available PCI slot
- USB peripherals
- USB cables

# Installation

## Hardware Installation

1. Shut down all power connected to the computer, as well as all devices connected to the computer peripherally (i.e. Printers, Monitors, Scanners etc.). Optional: As an added step to ensure safe installation, unplug the power supply from the computer.
2. Remove the computer cover. For more detailed instruction on how to perform this step, please refer to the documentation that was included with your computer at the time of purchase.
3. Locate an empty PCI slot, removing the metal bracket covering the accompanying empty port/socket.
4. Position the PCI USB card above the open PCI slot, ensuring that the card is aligned with the entire slot. Insert the card firmly into the slot, distributing force evenly across the length of the board. Once inserted, secure the card into the adjoining socket (previously covered by metal bracket), using the correct size screw (please consult documentation that accompanied purchase of computer).
5. Replace the computer cover.
6. If unplugged, plug computer and all peripherals back in to power source. Turn your computer on.
7. Once the computer has fully booted, connect USB peripherals to the ports provided (as necessary). If you are using Windows XP/2000, please ensure that your computer has the most recent Service Packs installed. If the necessary updates have already been installed, Windows will automatically detect that the PCI card has been installed, and install the necessary drivers automatically.

## Driver Installation

### Windows 2000/XP/Server 2003/Vista/7/Mac OSX

No driver installation is required for these operating systems, as this USB 2.0 adapter card is natively supported, so the drivers are already installed

# Specifications

<b>Bus Type</b>	PCI 5V
<b>Connectors</b>	3 External USB Type A Female 1 Internal USB Type A Female
<b>Maximum Data Transfer Rate</b>	480 Mbps
<b>Chipset</b>	NEC 0720102GC
<b>OS Support</b>	Supports Windows 2000 / XP / Vista / 7 / Mac OSX
<b>Dimensions</b>	127 x 120 x 20mm
<b>Net Weight</b>	45g

## Warranty Information

This product is backed by a 2 Year warranty.

In addition, StarTech.com warrants its products against defects in materials and workmanship for the periods noted, following the initial date of purchase. During this period, the products may be returned for repair, or replacement with equivalent products at our discretion. The warranty covers parts and labor costs only. StarTech.com does not warrant its products from defects or damages arising from misuse, abuse, alteration, or normal wear and tear.

### Limitation of Liability

In no event shall the liability of StarTech.com Ltd. and StarTech.com USA LLP (or their officers, directors, employees or agents) for any damages (whether direct or indirect, special, punitive, incidental, consequential, or otherwise), loss of profits, loss of business, or any pecuniary loss, arising out of or related to the use of the product exceed the actual price paid for the product. Some states do not allow the exclusion or limitation of incidental or consequential damages. If such laws apply, the limitations or exclusions contained in this statement may not apply to you.

Hard-to-find made easy. At StarTech.com, that isn't a slogan. It's a promise.

StarTech.com is your one-stop source for every connectivity part you need. From the latest technology to legacy products — and all the parts that bridge the old and new — we can help you find the parts that connect your solutions.

We make it easy to locate the parts, and we quickly deliver them wherever they need to go. Just talk to one of our tech advisors or visit our website. You'll be connected to the products you need in no time.
